The disclosing Party shall be obliged
to make a complete and correct disclosure of such interest, and the disclosing Party or the Members of the Management Committee representing the disclosing Party (as the case may be) shall be excused from any meeting during the discussion whether to contract with the above-mentioned third party. Any amounts received by anyone of the Parties from such a third party in relation to any work outsourced as contemplated above without the knowledge of the other Party, shall be forfeited and payable on demand to the other Party, without prejudice to the other Party’s rights and remedies in terms of clause 11 above.

shall be the next succeeding business day.

21.5 A reference to an enactment is a reference to that enactment as at the date of

Agreement) and as amended or re-enacted from time to time.

21.6 The rule of interpretation that a written agreement shall be interpreted against
the Party responsible for the drafting or preparation of that agreement shall
not apply.

definition clause, effect shall be given to it as if it were a substantive provision
in the body of the Agreement.

notwithstanding that that term has not been defined in the definition clause.

21.10 Wherever the term "in writing" is used in the Agreement, it means legible

Agreement; and (b) the afore-mentioned Annexure; and (c) the afore-
mentioned Schedule. Any such Annexure or Schedule may amend the terms
and conditions of this Agreement only with respect to the subject matter of such Annexure or Schedule, provided and insofar as any such Annexure or Schedule specifically amends the provisions of this Agreement and/or any afore-mentioned Annexure or Schedule, such amendment will prevail in respect of that Annexure or Schedule only (as the case may be). For the avoidance of doubt it is recorded that, unless specifically stipulated, the terms of one Annexure or Schedule will not apply to any other Annexure or Schedule, to the extent they are in conflict.

This Agreement constitutes the sole record of the agreement between the Parties with regard to the subject matter hereof. For avoidance of doubt, any previous agreement(s) entered into between any members of the Consortium, will only be binding on the parties to such agreement(s) and will not be binding on any party of the Consortium, which was not a signatory to the previous agreement(s). In the event of a conflict between the previous agreement(s) and this Agreement, the previous agreement(s) will take precedence over the terms and conditions of this Agreement.

this Agreement or any Schedule may be given or concluded via electronic communication.

22.6 **APPROVALS AND CONSENTS**

An approval or consent given by a Party under this Agreement shall only be valid if in writing and shall not relieve the other Party from responsibility for complying with the requirements of this Agreement nor shall it be construed as a waiver of any rights under this Agreement except as and to the extent otherwise expressly provided in such approval or consent, or elsewhere in this Agreement.
