**2. Current status of Business Rescue proceedings:**

**Kindly note:** This status report must be read together with all previous status reports and that the information contained in this status report is a record of events and/or information that have transpired subsequent to the publication of the previous month's status report:

Progress on implementation of the adopted BR Plan:

- The BRPs continue to implement the Business Rescue Plan as adopted, which is now entirely dependent on the outcome of the sale of Dilokong Chrome Mine.
- DCM and the purchaser of the mine, Cheetah Chrome had recently amended the purchase agreement, in terms of which the bulk of the purchase consideration is now due and payable by Cheetah.
- Cheetah has not made such payment, has been placed in breach by DCM and DCM has now instituted legal proceedings to compel Cheetah to make payment in terms of the amended sales agreement.
- The BRP's of ASA support DCM in these proceedings, as ASA is the single largest beneficiary of the sale process.
- We will continue to monitor the process and report to creditors as the matter develops.
